## A word from the Senior Regent

Women of the Moose, thus far we have accomplished a great deal. The winter months hit the Moose the hardest, our Administrator has put quite a few things on the calendar of events, to keep the momentum alive with all the members. The Polar plunge is fast approaching; get your pledges in to help support the Special Olympics.

As stated we have accomplished a great deal, we have just completed the renovation to the woman of the moose office. Our team of volunteers steps up when ever there is a need to get things done. Next on the agenda is the ladies washroom upstairs... fyi, we sure would appreciate some help. (Nudge nudge).

We have a New Member Chairperson, Rosemary Burgess. Thank you Rosemary for stepping up to the plate, we are glad to have your help.

In closing I am reminded of a famous quote:

***" Great things are not done by impulse,  
but by a series of small things brought together "***

***Van Gogh***

I too believe that when individuals come together as one body of collected thoughts, that there isn't anything that cannot be accomplished for the greater good for all.

Sincerely,

Mona Donaldson  
Senior Regent

## From the desk of the administrator

In case you have not heard, but yes we have let the Moose loose and if you have not been here lately, come on out and check out the changes. Sorry for the lateness of the newsletter, as we have had a lot to get done lately. As your senior regent has put it, we have put a calendar full of events together. There have been some new events we have not had here in the past such a snowmobile races (Thank you Gene Ferris and Guy Wedell), Murder Mystery Dinners (Thank you Greg Wilson and Kelly Boyer). Wow what a turnout for the snowmobile races and fishing tournament (thank you David Polidan) we had. Thank you to everyone for all of your help putting on these events, without you these events will not happen. Anyone that can help with some of the upcoming events please let me know.

Sincerely,

Matt Richmond  
Administrator

# Polar Plunge at the Fenton Moose Lodge

- Registration starting at 10:00 AM. at the Fenton Moose Lodge
- Plunge at 1:13 p.m.
- Post plunge party and awards ceremony at 2:00 p.m.

The annual Law Enforcement Torch Run (LETR) Polar Plunge series is known for its zany costumes and courageous participants. After raising funds, these participants dress up in costume and prepare to plunge, ready to jump in and freeze their fur for a good cause. Funds can be raised by collecting donations from friends, family, co-workers and neighbors.

Proceeds from these plunges help supports year-round sports training and athletic competition for more than 18,600 children and adults with intellectual disabilities in Michigan.

The series of Polar Plunges is made possible by the Law Enforcement Torch Run, a group of law enforcement officers and corrections department employees throughout the state who are committed to raising funds and awareness for Special Olympics Michigan Athletes.

To get involved visit [www.firstgiving.com/polarplunge](http://www.firstgiving.com/polarplunge) and register for a Polar Plunge. At your first giving site, you can receive pledge donations for Special Olympics Michigan and keep track of money raised.
